Directions for Use

Provide HylaSport CMO to horses weighing 1,100 lbs at the rate of 100 grams per day (two level 70cc scoops). Introduce gradually for best acceptance. Dosage may be reduced proportionately, based on weight, for lighter breeds. A loading dose is not required. Keep out of reach of children. Store closed container in cool, dry place.

Intended Use

Use HylaSport CMO to support healthy joint structure and function.
