Contains a source of live, viable, naturally-occurring microorganisms.

Ingredients

Milled Flaxseed, Yeast Culture, Yeast Extract (Mannanligosaccharides), Fructooligosaccharides, Saccharomyces Cerevisiae, Ascorbic Acid (source of Vitamin C), Vitamin A Supplement, Vitamin D, Supplement, Zinc Amino Acid Complex, Copper Amino Acid Complex, Manganese Amino Acid Complex, Cobalt Glucoheptonate, DL-Methionine, Biotin, L-Lysine Hydrochloride, Vitamin E, Folic Acid, Pyridoxine Hydrochloride (B₆), Niacinamide, Riboflavin Supplement (B₂), Calcium Pantothenate, Vitamin B₁₂ Supplement, Dried Bacillus coagulans fermentation product, Dried Bacillus licheniformis fermentation product, Dried Bacillus subtilis fermentation product, Dried Enterococcus faecium fermentation product, Dried Lactobacillus acidophilus fermentation product, Dried Lactobacillus casei fermentation product, Dried Lactobacillus plantarum fermentation product, Dried Whey, Natural Flavoring, Thiamine Hydrochloride (B₁), Calcium Carbonate, Natural Mixed Tocopherols

Hoof, Coat and Attitude!®

Naturally rich in Omega-3 fatty acids, Glänzen Senior provides support for healthy skin and coat, producing a silky, vibrant shine. Glänzen Senior is also an excellent product for supporting normal hoof growth and strong hooves.

Each six ounce serving (three scoops filled to ½ cup line) will provide 30 mg of biotin, three ounces of milled flaxseed (naturally rich in Omega-3), and more...

Feeding Directions

Provide Glänzen Senior to mature horses at the rate of six (6) ounces (170 grams) per horse, daily. Six ounces (three scoops filled to ½ cup line) will provide optimal results for most horses. Serving size may be reduced proportionately for horses weighing less than 1,100 lbs.

Introduce Glänzen Senior to horses gradually. Start with ¼ to ½ scoop (one ounce) the first day. Gradually increase the daily usage rate to the desired level over a 10 to 14 day period. Do not exceed six ounces (three scoops) per horse, daily. The enclosed ½ cup scoop will hold approximately two (2) ounces when filled to the ½ cup line. Provide up to three scoops per day (filled to ½ cup line). Daily serving may be divided for multiple feedings i.e., morning & evening. For more precise dosing, the use of an accurate gram scale is recommended.
