Ingredients

Sacchromyces cerevisiae Yeast, Dried Sacchromyces cerevisiae fermentation product (yeast culture), Milled Flax Seed, L-Glutamine, Fructooligosaccharides, Yeast Extract (Mannanoligosaccharides), Dried *Bacillus coagulans* fermentation product, Dried *Bacillus licheniformis* fermentation product, Dried *Bacillus subtilis* fermentation product, Dried *Lactobacillus acidophilus* fermentation product, Dried *Lactobacillus casei* fermentation product, Dried *Lactobacillus plantarum* fermentation product, Dried *Enterococcus faecium* fermentation product, Natural Flavoring

GutWerks®

Probiotics, Prebiotics, Live Yeast & Yeast Culture

Contains a source of live, viable, naturally-occurring microorganisms

20 Billion CFU Beneficial Bacteria &
50 Billion Yeast Cells
(per two ounce serving)

Manufactured by

HorseTech®, Inc.

Laurens, IA 50554

1-800-831-3309

service@horsetech.com

www.horsetech.com

Feeding Directions

Feed to horses at the rate of one (1) to two (2) ounces per day. Each level 48cc scoop (enclosed) will hold approximately one (1) ounce (28.4 grams). Feed one to two level scoops per day for mature horses weighing 1,000 lbs or more. Usage rate may be reduced proportionately, based on weight, for lighter breeds, younger horses, ponies, etc.

Two (2) ounces of GutWerks will provide 20 billion CFU of live, naturally-occurring microorganisms (probiotics), 50 billion live, viable yeast cells and a prebiotic package containing yeast extract (mannanoligosaccharides) and fructooligosaccharides. Seal container securely between uses. Store in cool dry place.

Cautions: Safe use in pregnant animals or animals intended for breeding has not been proven. If conditions worsen, discontinue use and contact your veterinarian. Absorption of drugs taken simultaneously may be delayed. **Warnings:** For animal (Equine) use only. Keep out of reach of children. Keep out of reach of other animals/species. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption.
