Product Facts (continued)

For Equine use only. Recommended for use
to support healthy joint and connective tissue
structure and function.

Directions for Use:

Give orally to mature horses at the rate of two
ounces (two level 48ccscoops) per day.
Dosage may be reduced proportionally (based
on weight) for younger horses or lighter breeds.

Warnings:

For animal use only.

Keep out of reach of children and animals.
In case of accidental overdose, contact a health
professional immediately.

This product should not be given to animals
intended for human consumption.

PRIOR TO USE: For horses used in competition,
please check with the appropriate
governing/sanctioning body to insure that the use
of each ingredient listed is allowable.
