eaten to reduce incidence of gastrointestinal
upset.

Scoop: 48cc

Net Contents: 4 lbs. (1.81 kg) 32 servings

The Original HylaSport!

Equine

HylaSport[®]

OTC

Source of Glucosamine HCL,
Chondroitin Sulfate, MSM
and Hyaluronic Acid

Manufactured by
HorseTech[®], Inc.
Laurens, IA 50554

1-800-831-3309
service@horsetech.com
www.horsetech.com

Made with

OptiMSM is a Trademark of Bergstrom Nutrition

Product Facts (continued)

For Equine use only. Recommended for use
to support healthy joint and connective tissue
structure and function.

Directions for Use:

Give orally to mature horses at the rate of two
ounces (two level scoops) per day. Dosage
may be reduced proportionally (based on
weight) for younger horses or lighter breeds.

Warnings:

For animal use only.

Keep out of reach of children and animals.
In case of accidental overdose, contact a health
professional immediately.

This product should not be given to animals
intended for human consumption.

PRIOR TO USE: For horses used in competition,
please check with the appropriate
governing/sanctioning body to ensure that the use
of each ingredient listed is allowable.
