## Guaranteed Analysis

Manganese, (Mn) minimum ..... 16.0%

## Ingredients

Manganese Polysaccharide Complex

## Directions for Use

Use to supplement Manganese in complete equine diets. Do not feed undiluted. Consult with your equine nutritionist or Veterinarian prior to use. Always read product MSDS (material safety data sheet) thoroughly prior to use.

Scoop: One (1) slightly rounded 5cc scoop (teaspoon) will hold approximately 5.3 grams (5,300 mg) of Manganese Polysaccharide Complex 16%, providing approximately 0.85 grams (850 mg) of elemental manganese (Mn).

Scale: Divide grams of elemental manganese (Mn) needed by 0.16 to determine grams of Manganese Polysaccharide Complex 16% required.

REV: 8/15/18

**Scoop: 5cc MH**
