

Selen^{AT}

Selenium Yeast & Natural E

Feeding Directions:

Use HorseTech's Selen AT to supplement Selenium and Vitamin E levels in equine diets.

One-half ounce of Selen AT (one slightly rounded 25cc scoop) will provide 1.0 mg Selenium (from selenium yeast) and

1,250 IU of Natural Vitamin E (d-alpha-tocopherol). Mix thoroughly in feed.

Attention: Selenium concentration in the complete diet should not exceed 0.3 PPM. Use HorseTech's Selen AT with care. Over-consumption of selenium may be toxic. If you have questions about how to use Selen AT, please contact HorseTech at 1-800-831-3309 prior to use. Intended solely for use in Equine diets.

Store sealed container in a cool, dry place. Keep out of reach of children. Not intended for human consumption.

EQUINE

Guaranteed Analysis
